

FULL PAPER FORMAT TEMPLATE

[Paper title]

[Author details]

Introduction

[Provide an introduction to your research topic, including background information, the problem statement, and the research questions or objectives.]

Literature Review

[Summarize the relevant literature and previous studies related to your research topic. Analyze and synthesize the existing knowledge and highlight the gaps that your research aims to address.]

Methodology

[Describe the research design, participants or sample, data collection procedures, and any instruments or measures used. Provide sufficient detail to allow others to replicate your study.]

Results

[Present your findings in a clear and concise manner. Use tables, graphs, or figures as necessary to support your results. Include any statistical analyses conducted.]

Discussion

[Interpret and discuss your findings in relation to your research questions or objectives. Relate your results to the existing literature, discuss any limitations or implications, and suggest future research directions.]

Conclusion

[Summarize the key findings of your study and their implications. Provide a brief conclusion or recommendation based on your research.]

References

[List all the sources cited in your research paper using APA format. Arrange them alphabetically.]
